# Recognition for Reavley Chemist PLUS Giving Back to the Community

## Chemist of the Year Award 2021

Reavley Chemist is delighted to be awarded Global Health & Pharma's sixth annual Chemist of the Year 2021 award for Oxfordshire! After serving the local community for over four centuries it is wonderful to be given third party recognition as we embrace modern advances in pharmaceuticals and actively participate in supporting ongoing efforts to combat the global pandemic.

## Supporting Our Community

Not content with serving locals and visitors in our shop and online, we believe in extending our support to help charitable and local organisations with their invaluable work and activities which benefit the community.

We recently sponsored the Windrush Valley Flower Show with Virgin Hot Air Balloon Flight vouchers for their star raffle prize, helping to raise more funds this year (despite the challenge of lockdowns and unreliable weather) than ever before! A wonderful traditional village fête complete with the Yarnton Band, classic cars, go cart race and dog show, the event supports four villages with community projects.

In addition, we recently sponsored a drinks event for the new Burford Archive, an important project ensuring the preservation of historical records and documentation of local history for future generations.

As a key business within the community we will continue to support local charities and initiatives as our way of giving something back to the people we are proud to serve.
