
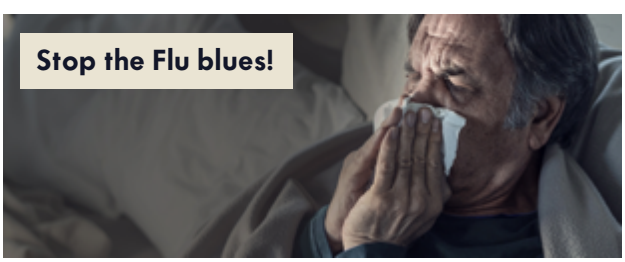
# HEARD THE NEWS?

**In July, Reavley Chemist were delighted to be featured in the Community Matters programme on local Witney Radio.**

Grant, better known as Mr G, interviewed Joanna McKerlie in the chemist, learning about the history of the building and of the various family owners of the business through the centuries. He was also interested to learn about the new initiatives brought about by the new owners, Ben and Ivy Tuffour, including the newly expanded home delivery service for prescriptions for anyone living in Carterton, Witney and Burford (plus the villages in between) who has signed up for our electronic prescription service. Anyone wishing to sign up for this service can do so either via the website (see the QR code below), by collecting a form from the chemist, or by requesting this at your GP surgery.



## Stop the Flu blues!

Don't forget to book your influenza vaccination this month! Currently FREE for those aged 50 and above, the vaccine will ensure you avoid the misery of winter flu and help to reduce the spread of this infectious illness. Book your vaccine today - bookings are being taken from 1st September for vaccination later in the month when stock of the vaccine arrives in store. Limited supplies last year so book early to avoid disappointment!
